Unleash your passion & potential for healthcare and community services with a

CHC33021 Certificate III in Individual Support (Ageing & Disability)

Step into a career that goes beyond the ordinary. With our comprehensive blend of knowledge and hands-on training, you'll be job ready and equipped to make a meaningful impact, day in and day out, in the lives of those who need it most.

With this industry ready course from Skills Training College, you'll be equipped with the diverse skills needed to create custom care plans that meet the individual needs of those impacted by aging, disability, or other life circumstances. This is not just a qualification; it's your pathway to becoming a valued part of the care community, where your dual sector expertise will be in high demand.

As a participant, you're evolving into a decision-maker, a strategic thinker, and a responsible contributor within your field. Our curriculum is designed to combine essential knowledge, technical prowess, and practical understanding, all grounded in the core principles and practices needed to deliver industry aligned care.

At Skills Training College, you're under the guidance of seasoned professionals, and you'll gain both practical experience and theoretical insight. This dual approach ensures you're fully prepared to make your mark in the aged or disability care sector.

Career Opportunities

The Australian Government's Job Outlook program projects a significant surge in job opportunities within the aged and disability care sector in the near future.

An impressive 179,000 positions are expected to open up over the next five years, underscoring a strong demand for professionals trained in these critical areas.

Gaining a Certificate III in Individual Support (Ageing & Disability) opens doors to a wide array of roles, marking the beginning of your career journey in areas like:

- Community Support Worker
- Personal Care Worker
- Aged Care Assistant
- Respite Care Worker
- Home Help Worker
- Disability Services Worker
- Residential Care Worker
- NDIS Support Worker

Course Curriculum

The CHC33021 Certificate III in Individual Support (Ageing & Disability) is designed to prepare workers in community and residential settings to provide person-centered support to individuals requiring assistance due to ageing, disability, or other reasons.

This qualification focuses on implementing personalised plans to provide support, necessitating the use of discretion, judgment, and taking responsibility for one's actions. It equips workers with essential factual, technical, and procedural knowledge, as well as the theoretical insights required for delivering person-centered care
